ARRL CW DX	Feb. 21st-22nd

HAM OF THE MONTH - ERIC SPANGLER

Eric Spangler, a technician license since December of 2013, likes operating on ten meters. His favorite radio is a Beofeng UV-5R. So far, he has only used 2 meters and SSB, but he enjoys both. As he works in the air force, he talks on

aviation radios close to the frequencies of 2 meters and 70 centimeters. While he has a few distant cousins with licenses, nobody in his immediate family is certified. His wife has a 22-year-old pet cockatoo, Mallie, and he loves pizza. He likes tinkering with cars and trucks and has built several custom pieces for his wife to store and transport tack, or gear for horse riding. His favorite piece that he has built so far is a go-cart when he was fifteen. He enjoys cooking, camping, shooting, hunting, and fishing. He has been enlisted in the Air Force since June 27, 2010, and has met several high-ranking officials in the military/air force. He was in the Washington DC Cherry Blossom Parade in 2006 and was thus on TV.
