- ⌘ The monthly meeting date has been moved to March 19th due to bad weather and spring break.
- ⌘ There will be a testing session on April 4th.

HAM OF THE MONTH— JOHN BUCKLEY

Mr. Buckley, K5DDT, has a general class license, which he received in 2011 in Starkville at MFJ Day. He enjoys operating and emergency aspects of amateur radio the most. His preferred type of radio is the ICOM. He is currently attempting to set up PSK31 on his radio at home. He also enjoys listening to other's conversations on his radio. He loves to travel to the Western U.S. He has visited many National Parks out there. His brother introduced him to ham radio. Mr. Buckley chose to get his license when his brother was diagnosed with cancer. He enjoys building and has built several dipoles and a 2 meter radio. He has served in the U.S. military on the DMZ during the Vietnam War. He was in a WCBI interview on stock market conditions, and he has met many famous people including a presidential advisor, David Gergen, a country music star, Winona Judd, and Fred Thompson. He also enjoys woodworking, beekeeping, and gardening. Overall, Mr. Buckley is an avid radio enthusiast and a jack-of-all-trades.
